DRIVING EXPERIENCE DAYS

BLIND 4X4—It is all down to trust on this one! Take the drivers seat, position your blindfold and you're off! Your instructor will guide you around a twisty course whilst two or three of your colleagues hang on in the back and use various forms of communication to direct you!

QUAD COURSE—Manoeuvre these unconventional bikes around a course with obstacles, such as slalom and seesaw. It is a real test of speed and skill to see who can gain the fastest time without penalties.

4X4 OFFROAD—Here is a great chance to test your skill on a demanding course over a variety of off road terrain. This isn't a drive through the park but a real opportunity for individuals to experience the might of a 4 x 4 during your corporate event.

DRIVING EXPERIENCE DAYS

HONDA PILOTS—This is one of our most popular away day activities. Speed around the dirt track in these American style dune buggies to see who can gain the fastest lap of the day. Our challenging courses have a variety of testing corners and are excellent fun whether it is wet or dry.

QUAD SAFARI—Are you ready to take on the challenge of the quad safari? This takes you on a thrilling ride on an exciting course, the emphasis here being on skill and handling. The wetter the conditions, the tougher it gets but our experienced instructors will guide you through. A true winner on team away days!

MINI CHALLENGE—Enjoy the thrill of racing in these specially adapted cars with roll cages and racing seats. After a couple of practice laps race against the clock on our hardcore track.

DRIVING EXPERIENCE DAYS

RALLY DRIVING—One of the only courses in England in which you can take the wheel of a MKII Escort and or a Ford Sierra Cosworth through a forest race track. With a top instructor at your side you will be taught the basic skills of rally driving in an open field in the Ford Escort. Later, you will progress onto a forest track with a Cosworth and finally the thrill of co-driving with an experienced rally driver in a Subaru Impreza. A fantastic rally driving day!

SEGWAYS—These two wheeled machines will prove a hit wherever they are taken or used. They are highly versatile and mobile, a fantastic piece of modern technology and will balance themselves as you turn on the spot and make your way over the 4x4 path. They are totally unique and your guests will be stunned by the versatility of these machines and the fact that anyone can get to grips with them in minutes.

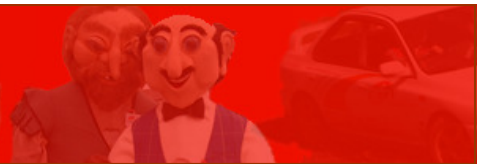

ARGOCATS—Drive where others fear to tread in this small but perfectly formed amphibious vehicle. With no less than six-wheel drive this is one mean driving machine. Guests will be marked on skill!

DRIVING EXPERIENCE DAYS

ABBOT SELF PROPELLED GUN—The Abbot is a 17.5 ton Self-Propelled Gun and not a tank as most people presume. Its automatic transmission makes it fun and easy to drive. A fun addition to your corporate away day.

APC—The FV432 Armoured Personnel Carrier is designed to carry troops into battle over the most challenging terrain. Weighing 15 Tons and powered by an 8 Litre Rolls Royce engine, manoeuvre this incredible vehicle around our off road course over a number of serious dips and ditches.

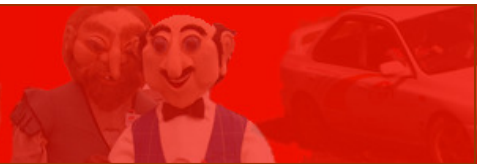

ALVIS STALWART - Yet another unique corporate away day experience in this amphibious 6 wheel drive carrier— powering effortlessly through the deep water filled ditches.

DRIVING EXPERIENCE DAYS

SNOWCAT—Manoeuvre our incredibly versatile articulated tracked military vehicle through the twisty course whilst your colleagues travel in the back. Popular on corporate events and team away days alike.

SCOUT CAR—Hold a corporate away day with a difference. This small but versatile Scout car also known as a Ferret 4 x 4 was used as a light reconnaissance vehicle. Carrying 2 people, the driver and the commander, it has as many reverse gears as it does forward, so this should get you out of trouble as fast as you get into it.

CHIEFTAIN—The Chieftain is one of the worlds largest tanks, weighing a massive 60 tons. Manoeuvre this incredible vehicle around our off road course during your corporate away day.

SHOOTING EXPERIENCE DAYS

LASER SHOOTING—A popular away day alternative to clay pigeon shooting. An all-weather, hi-tech system which closely simulates the real thing. The laser guns have been modified to fire infrared beams at the clays.

AIR RIFLES—With four people shooting at once this is the perfect opportunity to practice on a range of different targets. Knock down ducks or boars, a selection of spinners or for the real sharp shooters—try to hit the exploding chalk disc targets. A popular corporate away day activity!

CLAY SHOOTING—ACF caters for complete beginners to the more experienced shot and uses lighter-weight equipment for ladies. Each shooting stand will be manned by a qualified instructor who will show guests various techniques of shooting simulated game e.g. crossing pigeon, high pheasant. Shooting approximately 25 clays during an hour's session, guests will have the opportunity to practice before their scores count towards the winning trophy.

SHOOTING EXPERIENCE DAYS

ARCHERY—Learn the skill of this medieval sport. This popular corporate activity may not be as easy as it looks. With our experienced archer at hand even complete beginners will soon be hitting gold.

BATTLEFIELD—New to the market place, battlefield live can give the thrill of a firefight without the injuries. Using infra red guns of various types from sniper rifle to M16 this technology is used in training for the armed forces. Complete with the muzzle flashes and sound effects this team building "shoot em up game" can take place in all terrains and locations from forest to open fields.

PAINTBALL—Paintball adventure games are a great way to bring colleagues and/or friends together, developing camaraderie, loyalty and team spirit in an innovative way. With highly trained instructors and well maintained guns and safety equipment this teambuilding session will certainly promote the will to win.
